Hongkong, February 8th. 1894. The advantages conferred by the railway and usually recognised in civilised countries are not as vet appreciated in the Central Kingdom. The economy of time it secures one of the principal considerations in West-

ern countries, has little if any force in China. The Chinese are never in a hurry; nay, more, they strongly object to be hurried in any action or movement. They like time for consideration, they like delay for delay's sake; they love to spin out every function, teast, or entertainment to an interminable length. They cannot understand the to them feverish unrest of the Western man, who chafes at even a moderate delay, who fumes when it is protracted, and who loses all patience when it is so much extended as is the wont of the Oriental. Bartholomow's Hospital, no one could possibly have had a more violent cough, it was so bad at times that it quite exhausted me. The mucus, which was very copious and hard, has been softened, and I have been able to get rid of it without difficulty.—I am, sir, yours truly. J. HILL UTTERLY UNRIVALLED. UTTERLY UNRIVALLED. The above speaks for itself. From strict inquiry t appears that the benefit from using Keating's Cough Lozooges is understated. The operation was a specially severe one, and was performed by the modelist. Dr. II. T. Botlin, of St. Bartholomow

Hospital. Since the operation the only means of re-Hel is the use of these Lozenges. So successful are they that one affords immediate benefit, although from the nature of the case the throat irritation is WEIGHT IN GOLD. WEIGHT IN GOLD. Under data Sept. 8th 4891, Mr. Hill again writes:
